RECEIVED & RECORDED**

4th of July: Fireworks will be applying for permits soon. Fireworks at 10pm this year so as to not interfere with the boat parade. We will be memorializing our fireworks in honor of selectmen Peter Beauchemin. Dale and the Duds are back again. Firemen's muster, band, and egg toss are also scheduled. We hired the Knuckle Bones activity group to add more activities. Parade is getting inquiries about putting their cars in. Road Race looks good and we will push to participants to preregister. Possibly give them a choice of race only or purchase a shirt with registration. We welcome any and all volunteers. There is also a call for floats or vehicles. All interested parties will be asked to contact the Recreation Department. Floats will again be themed, numbered, and the Chamber of Commerce will be judging.

Hoxie House and Grist Mill: Open by second week of June. Small tours for 3rd grade. Last week of June open for public. Researching historical scripts for artifacts, etc. Staff will be trained in history. Fun discovery: The last official miller was an ancestor of Office assistant Kerry Crocker.
