*Small Business disposal accepted. See inside panel for info.

Kalliope Chute, HazMat Environmental Specialist
1-800-319-2783
Barnstable County Hazardous Materials Program

HHW Collections are funded by the Towns of Bourne, Sandwich, Mashpee and Falmouth; and Barnstable County’s Cape Cod Cooperative Extension.

“Love your local water. It’s a Cape Cod Thing.” is a campaign of Barnstable County Government and Cape Cod Cooperative Extension to protect our drinking water.
Household hazardous waste (HHW) collections protect our local drinking water. Most chemicals are too toxic to throw away in regular trash or dump down the drain, so FREE collections for residents are being held to take that waste off your hands and keep it out of our water supply.

Are you a small business and do you use chemicals? To make your state required disposal arrangements and obtain pricing, contact Kalliope Chute, HazMat Environmental Specialist, at #508-375-6699.
