Sandwich: Fast Facts & Figures

All numbers (except noted) are January 2011 to December 2011

$816 Sandwich accounts saved over $477,000 in electric costs

$1,885 of energy efficiency funds for:
- High School
- Elementary School

Solar at Forestdale School has saved over $2,400 in electric costs paid through CLC’s Solarize our Schools since December 2006

2013 Potential Project
267 municipal streetlights to LEDs $10,194 in electric savings in a year

Demos start this Fall

Notes and qualifiers: Costs are 20 cents/kWh for the sake of conversion. Energy efficiency savings are for each year, but do not reflect the accumulated savings, which are higher.
