NOTICE
ORAL RABIES VACCINE DISTRIBUTION

Oral Vaccines to reduce rabies in wildlife will be distributed in the towns of Bourne, Sandwich, Falmouth, Mashpee, and Barnstable

For bait distribution dates, please visit the website or Facebook page below, or call (508) 476-2956

The two types of oral rabies vaccination baits, Coated Sachet and Fishmeal Polymer Block, will be distributed via Bait Station, Vehicle, and Train.

If you find a vaccine/bait packet:
• Use a glove or towel to pick it up. Throw it into the woods where children and pets will not find it. If no suitable place is available, dispose of the bait in the trash.
• Wash your hands thoroughly after handling the vaccine/bait package.
• If your pet has eaten or had contact with a bait, it is not harmful to them, but please report the contact to: Cape Cod Rabies Program Coordinator Brian Bjorklund at (508) 476-2956.
• If you or another person has had contact with the liquid vaccine, wash the area thoroughly and call the MA Department of Public Health at (617) 983-6800.

For more information on the Cape Cod Oral Rabies Vaccination Program.
• Call (508) 476-2956
• Stop by your Town Board of Health
