

## Sandwich Energy Committee Meeting Minutes

April 7, 2011

1. Welcome
2. Approval of March Meeting Minutes (approved)
3. Discussion of CCC Technical Bulletin regarding Wind Turbine requirements
  - a. The Assembly of Delegates will meet on April 20 to vote on the Minimum Performance Standards for wind turbine installations. Because of their overly restrictive nature, it was decided that SEC would draft a letter to the Sandwich Representative stating the committee's position.
4. MassInsights Update
  - a. Heather, the student from SHS who had signed up to help with Energy Benchmarking is no longer able to complete the project due to time restrictions. Heather, Sarah and Damien attended the MassInsights webinar.
  - b. Letters of approval will need to be formatted and completed and sent to Doug
5. Discussion of mailing home energy audit information to residents with tax bill
  - a. It was decided that if possible, mailing energy audit information would be a good idea
  - b. Also discussed having a table at Town Meeting to pass out information from the Cape Light Compact, lightbulbs, etc. Damien will look into getting a table and Everett will look into having CLC presence at the Town Meeting
6. Meeting Adjourned
