Meeting Minutes
Monday, September 14, 2015
6:30 pm
Human Services Building – Lower Level

Present: Sarah, Ann, Desiree, Damien

1. Welcome
2. Minutes – May minutes approved by Ann, Desiree, Sarah
3. Election of Officers
 - a. Sarah double-checked with Taylor White and according to his records officers are appointed through June of 2016, so no elections or changes need to be made until then. However, everyone keep in mind that Sarah's term will be over and we will need a new president.
4. Grant update
 - a. No news as of today's meeting on the various recycling grants. Hopefully we will have some good news soon.
5. Kathy – ABM Bundled Energy Solutions
 - a. Kathy corresponded with Sarah's boss, Megan Amsler, of the Falmouth Energy Committee, and dropped by to chat with the committee about the potential for partnering with an ESCO (Energy Services Company) to reduce Sandwich's energy load
 - b. An ESCO project is bonded after approval of town officials and town meetings. The company then performs a thorough energy benchmarking project building by building and the town can then choose what projects it would like to move forward with. The bonded funds are then re-paid using the savings from the various projects.
 - c. Any project would have to be sent out for bid. The Town of Falmouth is currently working with Trane and because of the additional funding they received from DOER and the Cape Light Compact their original expectation of pay-back in ten years has now been lowered to 3.
 - d. Kathy would be willing to return and give a more detailed presentation if the committee is interested.
6. New Members
 - a. Kevin is sadly now a resident of Falmouth and therefore ineligible to serve officially on the committee. New members will be needed to keep the committee active.

TOWN CLERK
TOWN OF SANDWICH

- b. Sarah will prepare a press release for the Enterprise to hopefully garner some interest.

Motion to adjourn 7:45pm.

Minutes prepared by Sarah Cote
