AUTHORIZATION FORM
2018 Hazardous Waste Collections for
Non-resident of host town(s) or "visitor status"
Household Hazardous Waste Collection Participation

Cape Cod towns invite you to participate in this year's hazardous materials collections whether you are a resident of the town or not. When you need to dispose of hazardous products in at a host town location that you are not a resident of you must pay a disposal fee. The schedule on the back of this form lists 2018 collection dates, times, locations, and contact numbers. Call me at the number below for more information. Information about the hazardous products collections is also available on the Barnstable County website: www.loveyourlocalwater.org.

You may participate in collections in your town or host town for no cost, or attend other town's HHW collection at a cost. If you would like to participate as a 'visitor,' email this form at least one week in advance of the collection date to discuss the type and quantity of materials you plan to bring. **As a visitor (not a resident of the host town or member of regional hazardous waste collection, example Upper Cape residents have four free hazardous waste collections: Sandwich, Falmouth, Mashpee, and/or Bourne), you will not be allowed to participate without filling out this form, without receiving authorization from me, and paying for your waste at point of disposal.**

For visitor registration information and to make arrangements to participate in the collections, contact:
