

LEGAL NOTICE

# Town of Sandwich Department of Public Works

## Winter Maintenance Policy on Private Roads

The following are the minimum standards for winter maintenance, per the Board of Selectmen Winter Maintenance Policy, amended 9/29/2016. All private roads which do not meet these standards will not have winter maintenance services provided for the upcoming season (2018-2019).

- Roadway must be a total of 16 feet wide, consisting of a 12 foot wide traveled way with 2 foot wide drivable shoulders.
- Roadway & drivable shoulders must have a minimum 14 feet vertical clearance.
- Roadway must be open to the public, with no speed bumps, restrictive gates or other hindrances (vegetation, basketball hoops, etc...) which would interfere with Winter Maintenance Operations.
- Roadway must have an adequate turnaround for winter maintenance equipment which meets the requirements of the Department of Public Works.
- Roadway must be free of defects (ruts/potholes) exceeding 2 inches.
- Roadways must have a visible street sign.
- The Department of Public Works will perform yearly inspections of all private roadways each spring, and will notify residents by Legal Notice by May1st.

This notice is to inform residents whose private roads currently **DO NOT** meet minimum standards for snow & ice removal. The road deficiencies listed below must be repaired. Property abutters are required to reapply **BEFORE** November 1, 2018 in order to receive Town winter maintenance services **THIS** winter season (2018-19).

NAME	WIDTH	TURN-AROUND	VERTICAL CLEARANCE	DEFECTS	GATES/BUMPS HINDRANCES	STREET SIGN	ACCESS
