**Abutters Notice**

The laws governing Special Permits specify that "parties in interest" (also referred to as **abutters**) are entitled to receive **notice of the public hearing** for a special permit application and the **decision** on that application. The statute defines "parties in interest" as the person requesting the special permit for the property that is the subject of the special permit application; abutters, that is all property owners whose property directly abuts the property that is the subject of the special permit application; owners of land directly opposite on any street; abutters to abutters within three hundred feet of the property line of the petitioner and the Planning Boards of all abutting towns be sent

notice as well. For Sandwich the abutting towns are Bourne, Barnstable, Falmouth and Mashpee. The Assessing department is familiar with these requirements.

The list of abutters must be certified by the Assessing Department. The Assessing Department is required to certify these lists in ten (10) days from the date they are received at the Assessing Department. The Assessing Department processes abutter's list certification requests in the order in which they are received. The Assessing Department will contact the person requesting certification when the list has been certified or if there are errors that require a revised abutter's certification request to be submitted to the Assessing Department. There is a fee for certifying abutter's lists. The phone number for the Assessing Department is 508-888-0157. You may also view instructions on the Town website at [www.sandwichmass.org](http://www.sandwichmass.org). Click on the Maps tab.

The original copy of the abutter's list certified by the Assessing Department must be submitted with the Special Permit application materials. The certified abutters list is then used by the applicant **to address the envelopes necessary for the required abutters notice** for the public hearing and for the decision.

### **Advertising**

The laws governing Special Permits require that a public hearing be advertised in a newspaper of general circulation. The advertisement must appear two times with the first time being not less than fourteen (14) days before the public hearing. The advertisement must state the nature of the applicant’s request, along with the date, time and place where the public hearing is to be held.

The applicant is responsible for the cost of the required advertising. The Town of Sandwich has contracted with Falmouth Publishing for the advertisement of public hearing notices. Falmouth Publishing publishes the Sandwich Enterprise once a week on Fridays. A check made out to **Falmouth Publishing Co., Inc.** (please refer to Fee Schedule) is required at the time of application submittal.

### **Next Steps**

After the close of the public hearing the law gives the Board 90 days in which to file a decision with the Town Clerk. If the Special Permit is granted, the law requires that a 20 day appeal period must elapse from the date of that Town Clerk stamp before the decision is final. On the 21<sup>st</sup> day you may obtain a copy of the decision from the Town Clerk, which will bear a notice that no appeals have been filed. The decision is then eligible to be recorded at the Registry of Deeds. (*Mandatory condition of all special permits and variance grants.*)

Please contact the Town Clerk’s Office at 508-888-0340 for further information regarding the appeal period and the time that your decision will be ready for you. A copy of the recorded Special Permit must be provided to the Planning Board.

1. Helping residents and their families who, because of rising land prices, have been unable to obtain suitable housing at an affordable price and,
2. Maintaining a stable economy by preventing out-migration of residents who are an essential part of our community

The Planning board may grant a special permit that allows an increase in density through a relaxation of dimensional requirements of the Sandwich Protective Zoning By-law as described in Section 4453. Any special permit granted pursuant to this section shall require that a minimum of 50% percent of all units developed on the site subject to the special permit shall be sold and maintained at affordable prices according to the standards in Section 4453 and 4455.
