June 13, 2019

Dear Paul Tilton and the Sandwich Department of Public Works,

All of us at the Sandwich Food Pantry are tremendously grateful for the recent food drive you held for National Public Works Week, involving the whole Sandwich community! Your passion and enthusiasm produced a collection of food and hygiene items weighing over 840 pounds, which will directly benefit the 300 local families which depend on us for assistance annually.

Your thoughtfulness and energy in helping others demonstrates that which makes our community a place to call home. We commend you for the outstanding way in which you got our citizens involved, while drawing attention to the needs of those going through difficult times. Your care and interest in our mission will help us assist many families for many weeks.

Your gifts are fully tax deductible per IRS regulations. No goods or services were received by donor for this gift.

Gratefully,

Gigi Ridgley  
Executive Director
