Any additional information you feel we should consider for POD or cabin placement:

**** Please note: We will make every effort to use this information as a guide to help us place your child in the most compatible cabin based on age and interests. Our mission is to create a sense of community and to promote authentic friendships. It is our hope to give each participant the opportunity to engage in activities they enjoy but also experience new things. We will make every effort to take requests and interests under advisement as we place your child, however, not all friend requests and/or activity request can be met. Also, it is important to note that enrollment can significantly change group make –up from session to session and year to year.**
